www.maoripasifikatrades.co.nz

skills.

Congratulations on being awarded your Māori and Pasifika Trades Training Scholarship. We welcome you to the whānau and look forward to supporting you on your journey to becoming a fully qualified tradesperson and proud member of your community.

Your journey with us begins with a Whanaungatanga* – an afternoon of getting to know each other and learning about your opportunities through MPTT. This event will be led by Skills, the Industry Training Organisation for the Electrical and Plumbing/Gasfitting Trade.

The afternoons activities include:

- Scholarship awards
- Learn about the whakapapa* of MPTT
- Have a korero* with the 'navigators' who will mentor and support you into employment and an apprenticeship
- Meet employers for an insight into your future as an apprentice
- Hear from Skills about what employers are looking for and what you can do now to prepare for employment on completion of your training
- Share some kai and get to know your fellow trainees

* whanaungatanga - relationship, kinship, a sense of belonging and of connection through shared experiences

* whakapapa - where we come from, our past through to the present, how we are connected

* korero - a conversation, discussion or meeting
